

Update devices remotely

- Go to the XR Platform.

Note

Make sure you have the **Coordinator** role. You can change roles by clicking on them and switch to another one in the list.

Update apps

The screenshot shows the 'Devices' section of the XR Platform interface. On the left is a dark sidebar with a 'Coordinator' role dropdown and a menu including Dashboard, Lesson Content, Objectives, Organizations, Persons, Devices (highlighted), and Applications. The main content area has a search bar and an 'XR Installer' button. Below are tabs for device types: All, HoloLens, Glasses, VR Headset (selected), Computer, Phone, Tablet, and Other. A table lists 18 VR Headset devices with columns for Name, Brand, Serial Number, Organization, and Battery Level.
