

Recorded sessions

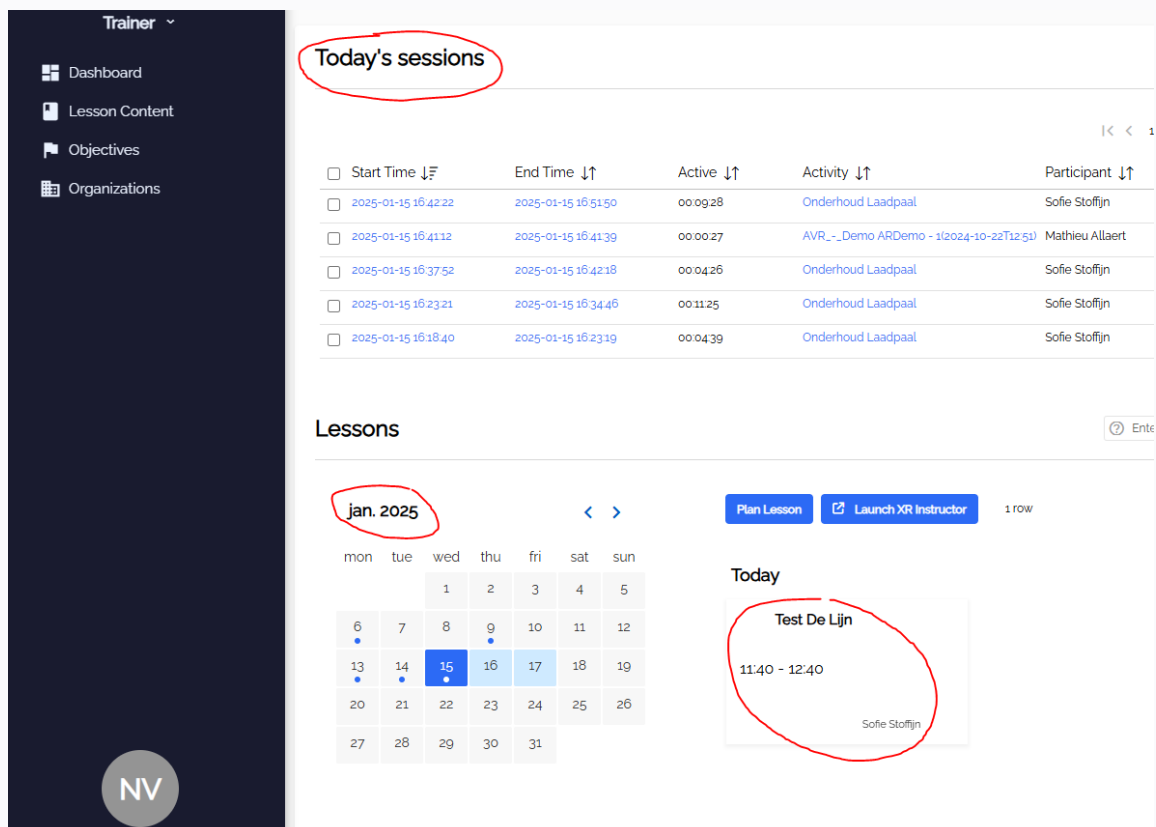

Where to find recorded sessions of my VR lesson?

- Go to the XR Platform.

Note

Make sure **Teach square** is selected. You can change squares by clicking on the corresponding

icon. 

The screenshot shows the XR Platform interface. On the left is a dark sidebar with navigation options: Dashboard, Lesson Content, Objectives, and Organizations. The main content area is divided into two sections. The top section, titled "Today's sessions" (circled in red), displays a table of recorded sessions for the current day. The bottom section, titled "Lessons", shows a calendar for January 2025 (circled in red) and a "Today" view showing a lesson titled "Test De Lijn" (circled in red) scheduled for 11:40 - 12:40 by Sofie Stoffijn. The calendar highlights the 15th as the current day. The "Today" view also shows the lesson details for the 15th.

Calendar: Jan. 2025

Today: Test De Lijn, 11:40 - 12:40, Sofie Stoffijn

- If the session was today, you can find it with Today's sessions. Press the end or begin time to open the session details.
- If the session was in the past, search for the day in the calendar and press the lesson to see the session details.
