

Adding new applications

Watch the tutorial

Watch this tutorial video how to add new applications to the XR Platform.

[Dutch](#)

Manual

- Go to the XR Platform.

Note

Make sure you have the **Coordinator** role. You can change roles by clicking on them and switch to another one in the list.

The screenshot shows a web browser window with the URL `s2.passerelle.supportsquare.io/xr-portal/app/`. The interface is dark-themed with a sidebar on the left. The sidebar contains a navigation menu with the following items: Dashboard, Organizations, Persons, Devices, and Applications. The 'Applications' item is highlighted with a blue background and a red circle. The main content area is titled 'Applications' and features a search bar with the placeholder text 'Enter search string here'. Below the search bar is a '+ Create' button and a pagination indicator '1-20 of 44 rows'. The main content area displays a grid of four application cards. Each card has a thumbnail image and a title: 'SupportSquare Ap-' (with a mobile app screenshot), 'XR Lobby' (with a 3D lobby scene), 'GF 565' (with a 3D mechanical model), and 'GF Marketing' (with a 3D blue cross in a snowy landscape). Each card also has a small green icon with a person silhouette and a circular refresh icon.

- Go to Applications.
