Create and manage Explore Workplaces

1. Where to start?

Watch this **tutorial video** on how to create workplaces on the XR Platform and add data.

> • Go to the Passerelle XR Platform.

> ### ▣ Note
>
> Make sure **Explore square** is selected. You can change squares by clicking on the corresponding icon.

> ### ▣ Note
>
> Make sure you have the **Designer** role. You can change roles by clicking on them and switch to another one in the list.

> • As a Designer you immediately get the option to '*Create a Workplace*' as seen in your Dashboard. When you press it, you'll need to give some information.
