

How to create projects and XR procedures

Using the XR Platform

Note

Make sure **Guide square** is selected. You can change squares by clicking on the corresponding icon. 

Note

Make sure you have the **Designer** role. You can change roles by clicking on them and switch to another one in the list.

This is the **hierarchy of projects, procedures and steps**:

Project

- Procedure A
 - Step 1
 - Step 2
 - Step 3
- Procedure B
 - Step 1

All the procedures you create are managed in projects. A project can hold multiple procedures.
