

Recorded sessions

Where to find recorded sessions of my XR lesson?

- Go to the XR Platform.

The screenshot shows the Passerelle dashboard with the 'Administrator' role. The 'Dashboard' menu item is highlighted in the left sidebar. The main content area is titled 'Today's sessions' and displays a table of recorded sessions. The table has columns for Lesson Content, XR Lesson, Start Time, Active, Person, Device, Status, Support Level, and Commented. The sessions listed are:

Lesson Content	XR Lesson	Start Time	Active	Person	Device	Status	Support Level	Commented

- If the session was today, you can find it with Today's sessions. Press the video icon to open the recording.

The screenshot shows the 'Sessions' page in the Passerelle dashboard. The 'Sessions' menu item is highlighted in the left sidebar. The page features a filter section with the following options:

- Period: Current Month
- Time Range: from 2026-03-01 to 2026-03-31
- Status: [Dropdown]
- Support Level: [Dropdown]
- Lesson Content: [Search]
- XR Lesson: [Search]
- Person: [Search]
- Commented: [Dropdown]

A 'Filter' button is located below the filter section. Below the filter section is a table of sessions with columns for Lesson Content, XR Lesson, Start Time, and Active. The sessions listed are:

Lesson Content	XR Lesson	Start Time	Active
Preview Procedure 1 (2026-03-19 13:28)		2026-03-19 13:28:58	00:03:11
Nico's Winter Wonderland Experience	validation nico	2026-03-19 12:26:46	00:00:17
Materialroom Test	validation nico	2026-03-19 12:25:42	00:00:42

- If the session was in the past, go to Sessions.
- Use the filter to find sessions of your XR lessons (from XR Instructor) or connected to specific lesson content.
- Press the video icon to watch the session.
