Note

Make sure you have the **Coordinator or Administrator** role. You can change roles by clicking on them and switch to another one in the list.

The screenshot shows the Passerelle dashboard interface. On the left is a dark sidebar with the Passerelle logo at the top. Below the logo is a dropdown menu currently set to 'Administrator'. Underneath is a 'Dashboard' button. A list of navigation items follows: 'PLANNING', 'DESIGN', 'LEARNING CONTENT', 'INSIGHTS', 'IDENTITY & ORGANIZATION', and 'MANAGE'. The 'MANAGE' section is expanded, showing 'Applications' (highlighted with a red box) and 'Devices'. The main content area is titled 'Dashboard Teach' and contains a 'Lessons' section. This section features a calendar for 'mrt. 2026' with a 'Plan Les' button. The calendar grid shows dates from 1 to 31, with the 19th highlighted. To the right of the calendar is a 'Today' section showing a validation period from 10:25 to 18:25.

- Go to Applications.
