

Recorded sessions

Where to find recorded sessions of my XR lesson?

- Go to the XR Platform.

The screenshot shows the Passerelle dashboard with the 'Administrator' role selected. The 'Dashboard' menu item is highlighted in the left sidebar. The main content area is titled 'Today's sessions' and displays a table of recorded sessions. The table has columns for Lesson Content, XR Lesson, Start Time, Active, Person, Device, Status, Support Level, and Commented. The first row shows a session titled 'Preview Procedure 1 (2026-03-19 13:28)' with a status of 'Terminated' and a support level of 'High'. The second row shows a session titled 'Nico's Winter Wonderland Experience' with a status of 'Terminated' and a support level of 'High'. The third row shows a session titled 'Materialroom Test' with a status of 'Terminated' and a support level of 'High'. The fourth row shows a session titled 'Nico's Winter Wonderland Experience' with a status of 'Terminated' and a support level of 'High'. The fifth row shows a session titled 'Materialroom Test' with a status of 'Terminated' and a support level of 'High'.

- If the session was today, you can find it with Today's sessions. Press the video icon to open the recording.

The screenshot shows the 'Sessions' page in the Passerelle dashboard. The left sidebar has the 'Sessions' menu item highlighted. The main content area has a filter section with the following fields: Period (Current Month), Time Range (from 2026-03-01 to 2026-03-31), Status (dropdown), Lesson Content (search), Person (search), Support Level (dropdown), XR Lesson (search), and Commented (dropdown). A 'Filter' button is located below the filter section. The table below the filter section has columns for Lesson Content, XR Lesson, Start Time, and Active. The first row shows a session titled 'Preview Procedure 1 (2026-03-19 13:28)' with a start time of '2026-03-19 13:28:58' and an active status of '00:03:11'. The second row shows a session titled 'Nico's Winter Wonderland Experience' with a start time of '2026-03-19 12:26:46' and an active status of '00:00:17'. The third row shows a session titled 'Materialroom Test' with a start time of '2026-03-19 12:25:42' and an active status of '00:00:42'.

- If the session was in the past, go to Sessions.
- Use the filter to find sessions of your XR lessons (from XR Instructor) or connected to specific lesson content.
- Press the video icon to watch the session.
