

XR Instructor

How to start XR lessons with your (designed) content?

If you want to create XR Lessons, start and stop sessions from your PC and watch the streams, you can use XR Instructor.

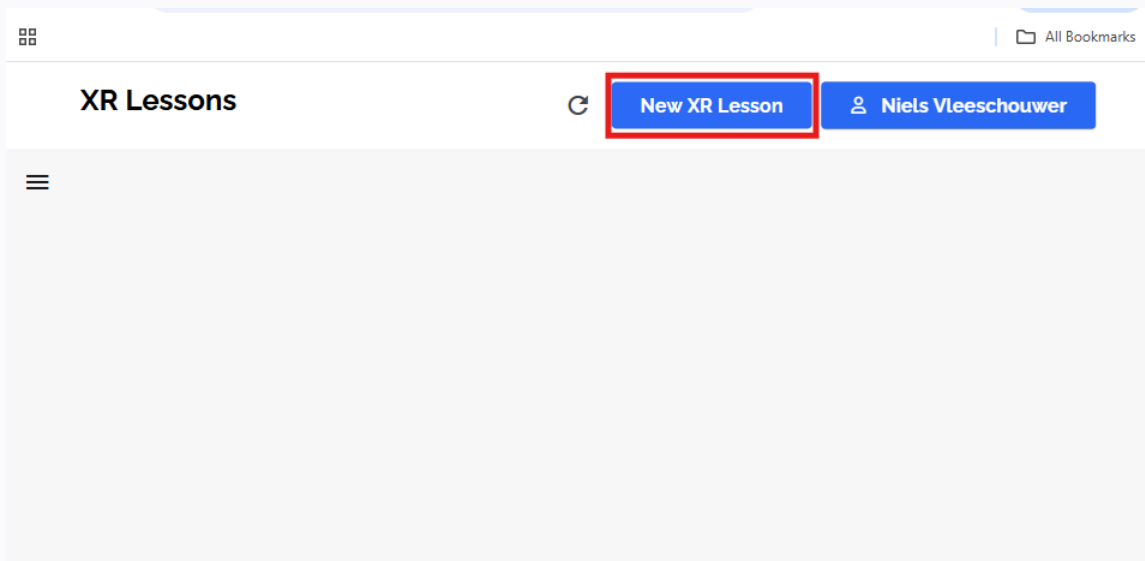

Watch this video for a more detailed demonstration: [Dutch version](#) [English version](#)

- Go to the XR Platform

The screenshot shows the 'passerelle' dashboard with a sidebar menu on the left containing 'Trainer', 'Dashboard', 'PLANNING', 'LEARNING CONTENT', 'INSIGHTS', and 'IDENTITY & ORGANIZATION'. The main area is titled 'Dashboard Teach' and 'Lessons'. It features a calendar for 'mrt. 2026' with dates from 1 to 31. To the right of the calendar are three buttons: 'Plan Lesson', 'Plan Course', and 'Launch XR Instructor' (which is highlighted with a red box). Below the buttons, it says '0 rows'.

- Press 'Launch XR Instructor'.

The screenshot shows the 'XR Lessons' interface. At the top, there is a header with 'XR Lessons' on the left, a refresh icon in the center, and a 'New XR Lesson' button (highlighted with a red box) on the right. To the right of the button is a user profile icon and the name 'Niels Vleeschouwer'. Below the header is a large empty area with a hamburger menu icon on the left.

- Press New XR Lesson.
