

Adding new applications

Watch the tutorial (Before 4.0)

Watch this tutorial video how to add new applications to the XR Platform.

[Dutch](#)

Manual

- Go to the XR Platform.

Note

Make sure you have the **Coordinator or Administrator** role. You can change roles by clicking on them and switch to another one in the list.

The screenshot shows the Passerelle Dashboard Teach interface. On the left is a dark sidebar with the Passerelle logo at the top. Below the logo is a dropdown menu currently set to 'Administrator'. Underneath is a 'Dashboard' button. A list of menu items follows: 'PLANNING', 'DESIGN', 'LEARNING CONTENT', 'INSIGHTS', 'IDENTITY & ORGANIZATION', and 'MANAGE'. The 'MANAGE' section is expanded, showing 'Applications' (which is highlighted with a red rectangle) and 'Devices'. The main content area is titled 'Dashboard Teach' and 'Lessons'. It features a calendar for 'mrt. 2026' with days of the week as headers. The calendar grid shows dates from 1 to 31, with the 19th highlighted in blue. To the right of the calendar is a 'Plan Les' button and a 'Today' section showing a validation time slot from 10:25 to 18:25.

- Go to Applications.
