

Manage devices remotely on the platform

- Go to the XR Platform.

Note

Make sure you have the **Coordinator or administrator** role. You can change roles by clicking on them and switch to another one in the list.

Update applications

The screenshot displays the Passerelle XR Platform interface. On the left is a dark sidebar with a navigation menu. The main content area is titled 'Pico 41' and includes tabs for 'Details', 'Operational Info', 'Pending Actions', and 'Processed Actions'. The 'Details' tab is active, showing fields for Name, Brand, Serial Number, Type, OS Type, Organization, Group, and Admin. To the right of the details is a 'Current Subscription' section. Below these is the 'Applications' section, which features a '+ Install' button and a grid of application tiles. The 'MANAGE' and 'Applications' menu items in the sidebar are highlighted with red boxes, and the 'Devices' sub-item under 'MANAGE' is highlighted with a blue box.
